

## **MAYOR JERRY SANDERS PRESS RELEASE**

FOR IMMEDIATE RELEASE

July 17, 2007

### **SANDERS MAKES 2 APPOINTMENTS AND 5 REAPPOINTMENTS TO THE BOARD OF BUILDING APPEALS AND ADVISORS**

**SAN DIEGO** – Mayor Jerry Sanders has appointed Kelly Eisenstein and Kenneth Oh and reappointed Cameron Duncan, Eric Stenman, John Littrell, and James Arnold to the Board of Building Appeals and Advisors, subject to City Council confirmation.

Ms. Kelly Eisenstein is a Consulting Engineer for the San Diego office of Rolf Jensen & Associates, Inc., a fire protection and life safety code consulting firm. As a Consulting Engineer, Ms. Eisenstein advises clients on building, fire, and life safety using federal, state, and local codes and ordinances and has consulted on a wide variety of projects including high-rise buildings, mall structures, commercial and industrial buildings, airport terminals, and multi-family residential facilities.

Ms. Eisenstein was awarded a Bachelor of Science degree in Fire Protection Engineering in 2001 from the University of Maryland and is affiliated with various fire protection trade associations and professional organizations including the Society of Fire Protection Engineers, American Institute of Architects, International Code Council, and National Fire Protection Association. She is also the Director of Programs for the Society of Fire Protection Engineers. Ms. Eisenstein will replace Dinesh Patel, who is termed out, and will serve as one of the two required Fire Protection Engineers for this Board. Ms. Eisenstein's term will expire March 1, 2008.

Mr. Kenneth Oh is a Fire Protection Engineer and Project Manager for the Department of the Navy/Naval Facilities Southwest. Over the last 17 years, he has worked as a Fire Protection Specialist, Fire Protection Engineering Consultant, Project Manager, and Consulting Engineer. Throughout his career as a Fire Protection Engineer and Consultant, Mr. Oh has presented before the Board of Building Appeals and Advisors.

Mr. Oh earned a Bachelor of Science degree in Mechanical Engineering from the University of California, Davis and was licensed as a Fire Protection Engineer in 1997. He is also an active member of the Society of Fire Protection Engineers, National Fire Protection Association, and the Fire Prevention Officers Section of the California Fire Chiefs Association. Mr. Oh will serve as one of the two required Fire Protection

Engineers for this Board and will replace Scot Deal, who is termed out, for a term expiring March 1, 2008.
